**SUPPLEMENTARY INFORMATION:****I. Purpose**

Title II, Section 202 of the Social Security Independence and Program Improvements Act of 1994 (P.L. 103-296) requires the Secretary of Health and Human Services to appoint a Commission on the Evaluation of Disability in Children for the purpose of evaluating the effects of the current definition of disability under title XVI of the Social Security Act (42 U.S. Code 1381 et seq) as such definition applies to eligibility of children to receive SSI benefits, the appropriateness of such definition, and advantages and disadvantages of any alternative definitions. The study will also consider

the feasibility and appropriateness of alternative service delivery provisions to assure that children with various disabilities residing in different types of environments obtain the assistance they need.

In addition, P.L. 103-296 requires the Commission to address the following:

- Whether the need by families for assistance in meeting high costs of medical care for children with serious physical or mental impairments, whether or not they are eligible for disability benefits under title XVI of the Social Security Act, might appropriately be met through expansion of Federal health assistance programs;

- The feasibility of providing benefits to children through noncash means, including but not limited to vouchers, debit cards, and electronic benefit transfer systems;

- The extent to which the Social Security Administration can involve private organizations in an effort to increase the provision of social services, education, and vocational instruction with the aim of promoting independence and the ability to engage in substantial gainful activity;

- Alternative ways of providing retroactive supplemental security income benefits to disabled children, including the desirability and feasibility of conserving some portion of such benefits to promote the long-term well-being of such children;

- The desirability and methods of increasing the extent to which benefits are used in the effort to assist disabled children in achieving independence and engaging in substantial gainful activity; and

- The effects of the supplemental security income program on disabled children and their families.

The Secretary has asked that the Commission conduct its analysis mindful of the broader context of programs affecting children with disabilities and their families.

The Commission will be chaired by the former Representative Jim Slattery. The Commission is composed of 14 members in addition to the chairman:

Polly Arango, Adrienne Asch, Ph.D., Dolores Berkovsky, Anne Ford, Wade F. Horn, Ph.D., Jennifer Howse, Ph.D., Sharman Davis Jamison, Dan Johnson, Paul Marchand, James M. Perrin, M.D., M. Carmen S. Ramirez, Carol Rank, Rud Turnbull III, and Barbara Wolfe, Ph.D.

The meeting is open to the public to the extent that space is available. Public officials, representatives of professional and advocacy organizations, concerned citizens, and Social Security and SSI recipients may submit written comments on the issues considered by the Commission.
